

Discretionary Use Policy

Preamble:

Members in good standing of Saskatoon TechWorks have certain rights and privileges. Among these privileges is permission to bring one guest who must be under the member's supervision. Any use of the space outside of the normal policies (Discretionary Use) is subject to approval of the board.

Policy:

1. Any person or group who wishes to use the space outside of the normal membership privileges must get approval of the board and agree to the conditions laid out in the Discretionary Use Agreement.
2. Any discretionary use should be related to the vision and mission of Saskatoon TechWorks.
3. Any discretionary use must not unduly disrupt other members or impede their use of the facilities.
4. The board may decide whether or not to charge a damage deposit and rental fee.
5. The board may terminate any Discretionary Use Agreement for any reason at any time.
6. The board will weigh these points when making a decision on any discretionary use.
